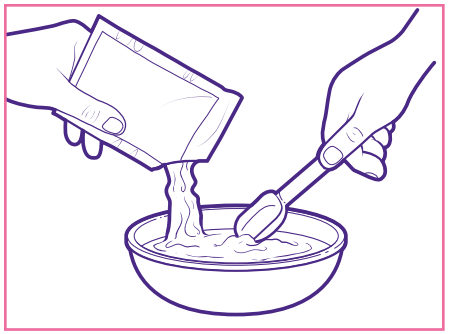
CREATE DELICIOUS EASY-BAKE® PARFAITS!

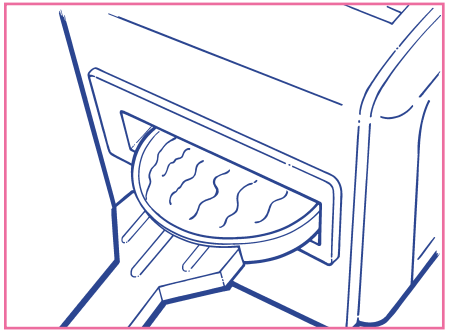
Bake a Cake...

- Preheat your Easy-Bake® Oven for 15 minutes, or ask an adult to preheat the kitchen oven to 375º.
- Spray the baking pan with nonstick cooking spray, or grease and flour pan.

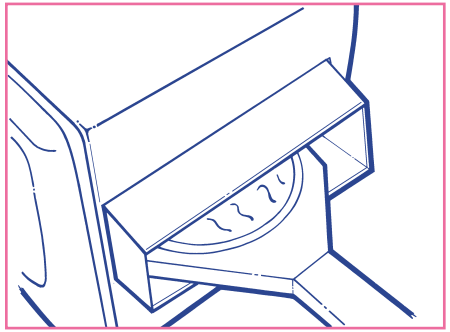


1. Pour contents of cake mix packet into mixing bowl. Add 3 teaspoons of water and mix with a spoon until smooth.

2. Slowly pour batter into the baking pan and spread evenly.

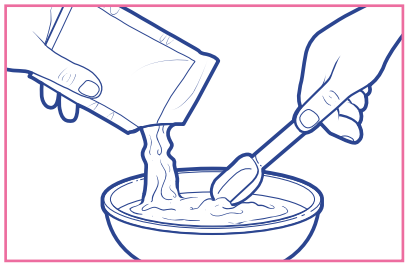


3 Use the Easy-Bake® pan pusher to insert the pan into the Easy-Bake® Oven. Be sure to insert pan far enough so that the metal door closes. Bake in the Easy-Bake® Oven for 12 minutes, or in your kitchen oven for 12 minutes.

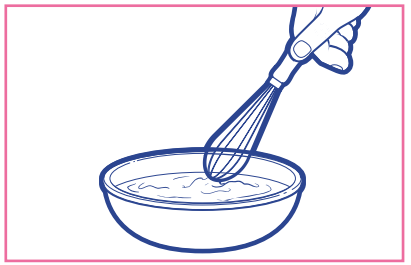


4 When baking time is complete, use the pan pusher to push the baking pan all the way through to the cooling chamber. Allow cake to cool in cooling chamber for 10 minutes, then carefully remove pan from oven with pan pusher. If you are baking in the kitchen oven, have an adult remove the pan from the oven immediately. When cool, remove cake from the pan.

Prepare the Pudding...

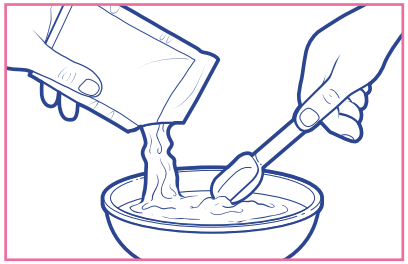


1. Pour contents of pudding mix packet and 1/2 cup of cold milk into a mixing bowl.

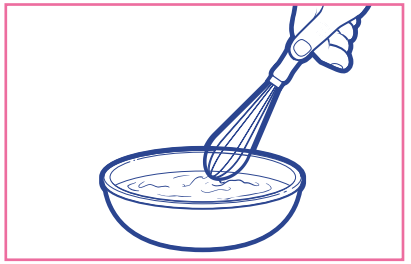


2. Whip with a whisk for about 2 minutes.
3. Chill in refrigerator for about 5 minutes.

Whip Up the Easy Whip Topping...



1. Pour contents of Easy Whip topping packet and 1/2 cup of cold milk into a mixing bowl.



2. Whip with a whisk for about 2 minutes. (Blender or beater can also be used.)
